

## Series 140, 280 and 420 Premium Hinged Covers

### APPLICATION

Used with Leviton's Structured Media™ enclosures, the hinged covers open 180° and can be easily mounted for left or right side opening, with picture frame design providing easy access for frequent adds, moves and changes. For additional security, and to discourage idle tampering, Leviton also offers an optional lock and key set.

### STANDARDS COMPLIANCE

Meets all applicable standards: cULus and ACA listed.

### PHYSICAL SPECIFICATIONS

Materials: 18 gauge, white, powder-coated steel.

Dimensions:

Series 140 Premium Hinged Cover:

15.32"H x 15.62"W x 0.25"D

Series 280 Premium Hinged Cover:

29.32"H x 15.62"W x 0.25"D

Series 420 Premium Hinged Cover:

43.32"H x 15.62"W x 0.25"D

### DESIGN CONSIDERATIONS

- Opens 180° and mounts on right or left side for easy access in any space.
- White, powder coated steel provides sleek appearance with durability and scratch resistant surface.
- Mounting hook on 280 and 420 covers align screw holes for easier installation.
- Built-in precision hinge and picture frame integrated design conceal fasteners and hide drywall cuts.
- Dynamic alternative to more conservative screw-on, flush mount covers.
- Ideal for show homes or display environments.
- Easy access for frequent adds, moves and changes.
- Removable logo

### WARRANTY INFORMATION

- Two-year limited product warranty.
- Product and performance warranties are extended to 20 years if installed as part of a Leviton Integrated Networks Certified System.
