

47609-4X4

Tools and Accessories

Brand Features

The unique 4x4 Breakout Module from Leviton is a telephone distribution module that features six eight-position RJ-45 voice grade connectors, permitting you to divide an incoming four-line telephone connection into four individual lines for use on one- or two-line output connectors. Designed for 568A wiring sequenced systems, the 4x4 module can be placed anywhere, eliminates the need for wiring additional wallplates, and provides easy plug-and-play access to all incoming lines. A pass-through connector is provided to allow all four lines access to another device.

Item Description

4x4 Breakout Module

UPC Code: 07847711603

Country of Origin: United States - **Eligible for ARRA funded projects*

**May include one or more globally sourced components.*

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
